Decision, terms and validity

SP hereby confirms, by this decision, that the system for quality assurance of the production process has been reviewed and found to fulfil relevant requirements. Authorisation is therefore given to the holder of this decision to use the Notified Body identification No. (0402) of SP on the products specified above.

This decision is edition eight and replaces earlier editions, the latest issued May 27th 2009. The decision remains valid until 12th February 2017, provided that surveillance audits are performed by SP with approved result, and that all terms stated in directive 2004/22/EC are fulfilled.

Miscellaneous

When the manufacturer affixes the CE-mark on the product, the marking shall also consist of product identification, certificate No., Metrological mark (M), the year the marking was affixed (yy), the Notified Body identification No. (0402) and other marking specified in the directive. The marking on the seals used for identifying the manufacturer is shown to the right:
