Decision, terms and validity

SP hereby confirms, by this decision, that the system for quality assurance of the production process has been reviewed and found to fulfil relevant requirements. Authorisation is therefore given to the holder of this decision to use the Notified Body identification No. (0402) of SP on the products specified above. The decision is valid for products listed above and manufacturing plant specified above. This decision replaces earlier edition, and remains valid until 2019-09-25, provided that surveillance audits are performed by SP with approved result, and that all terms stated in directive 2004/22/EC are fulfilled. This decision was first issued by SP 2009-09-25.

Miscellaneous

When the manufacturer affixes the CE-mark on the product, the marking shall also consist of product identification, certificate No., Metrological mark (M), the year the marking was affixed (yy), the Notified Body identification No. (0402) and other marking specified in the directive and the Module B Certificate. The marking on the seals used for identifying the manufacturer is shown here:
