

*Joint IAF-ILAC-ISO Communiqué
on the
Management system requirements of ISO 15189:2012 - Medical laboratories -
Particular requirements for quality and competence*

A medical laboratory's fulfilment of the requirements of ISO 15189:2012 means the laboratory meets both the technical competence requirements and the **management system requirements** necessary for it to consistently deliver technically valid test results. The **management system requirements** in ISO 15189 (Section 4) are written in a language relevant to a medical laboratory's operations and meet the principles of ISO 9001:2008 **Quality management systems - Requirements** and are aligned with its pertinent requirements.
