Decision, terms and validity

RISE hereby confirms, by this decision, that the system for full quality assurance has been reviewed and found to fulfil relevant requirements. Authorisation is therefore given to the holder of this decision to use the Notified Body identification No. (0402) of RISE on the products covered by this decision. The decision is valid for manufacturing plants specified and products listed in the Appendix. This decision replaces earlier issues.

This decision was first issued **2008-09-02** in accordance with directive 2004/22/EC, and by SP Technical Research Institute of Sweden.

This decision remains valid until **2021-09-02**, provided that surveillance audits are performed by RISE with approved result, and that all terms stated in the **MID directive 2014/32/EU** are fulfilled.

Marking

When the manufacturer affixes the CE-mark on the product, the marking shall also consist of product identification, certificate No., Metrological mark (M), the year the marking was affixed (yy), the Notified Body identification No. (0402) and other marking specified in the directive.

Miscellaneous

SP changed name 2017 to RISE Research Institutes of Sweden, but the Notified Body number remain the same, NB 0402.
